Once enrolled, there will be a \$500 withdrawal fee if the stallion is subsequently withdrawn, for any reason. **STABLING FEES ARE SEPARATE AND PAID TO THE SITE HOST.**

IMPORTANT HEALTH REQUIREMENTS FOR THE NORTH AMERICAN STALLION SPORT TEST

- **ALL** Health Paperwork **MUST** be received one week prior to the arrival of the stallion at the testing
- A copy of a Negative Coggins (EIA) test dated within 12 months of the conclusion of the testing is an FN and a NASST requirement for ALL stallion participants
- A current Veterinary Health Certificate
- Proof of Flu/Rhino Vaccination within 180 days (but not within 7 days) of the testing dates
- An Equine Viral Arteritis (EVA) Test via blood draw is required within 30-days of the start of the testing or, if a stallion is vaccinated for EVA, then proof of the initial negative testing and subsequent annual vaccinations is required. Stallions that are sero-positive and do not have a complete record of initial negative testing and annual vaccinations must have semen tested to prove non-shedder status within 30-days of the start of the testing. **EVA TESTING TAKES APPROXIMATELY TWO WEEKS***
