COVID PROTOCOLS:

*MASKS WILL BE REQUIRED FOR ALL PEOPLE AT THIS EVENT AT ALL TIMES.
Each participating horse is allowed up to 4 pre-registered people to attend this event.
A limited number of spectators will be allowed at the West Coast Testing only.*

Welcome to the fourth annual North American Stallion Sport Test! We are so excited to be hosting a testing this year after having to cancel last year's test due to the COVID pandemic. Sport tests are a critical requirement in the lifetime approval process for breeding stallions. The ability for stallions to focus on a specific discipline, demonstrate continued training and development over consecutive years, and available in a format that provides the breeders open access to viewing these events have been key components of their popularity.

Many people and organizations have made these tests possible and we'd like to share a special thanks to our hosts, Hilltop Farm & Pollyrich Farms, who've graciously donated their facilities and time to make these tests possible. The German FN and Dr. Klaus Miesner have been supportive of developing this format in North America since discussions first began. They graciously gave us the unflagging assistance and support of Viktoria Laufkotter and Claudia Koller who have been invaluable resources for the committee as we worked through all the details related to rules, scoring, protocol, and more. Our dedicated volunteer, Kate Palmquist, maintains the website www.stallionsporttest.com and our Facebook pages whenever needed.

We are fortunate to have with us an excellent panel of judges, experts, and test riders this year. Join us in welcoming:

Gerd Sickinger:	Judge for both Dressage & Jumping Sport Tests
Matthias Granzow:	Judge for both Dressage & Jumping Sport Tests
Rudy Leone:	Judge for both Dressage & Jumping Sport Tests
Wendy Wergeles:	Judge for both Dressage & Jumping Sport Tests
Charlotte Brehdahl:	Discipline Expert (<i>Dressage</i>)
Clint Sawyer:	Discipline Expert (<i>Jumping</i>)
Matt Brown:	Guest Rider (<i>Jumping</i>)
Jessica Wisdom:	Guest Rider (<i>Dressage</i>)
Dr. Greg Parks:	Veterinarian

With travel restrictions still in place, our German-based judges will not be able to join us in person this year, but will be working collaboratively with our US-based officials via an ongoing livestream and conferencing throughout the testing. We are very excited that the technology is in place to allow for this hybrid judging commission!

One of the unique advantages of this 3-Day Sport Test format is that it allows for the standard of testing to be relative to each stallion's age. Scores are not based on a bell-curve and are comparable between testings. We will name a Champion for Dressage and for Jumping at both the West and East Coast Stallion Sport Tests.

Champion Coolers and Ribbons for all completing stallions have been generously donated by Oakwood Farms & Meg Williams. Warmblood Stallions of North American & Anna Goebel have also donated an advertising package to each completing stallion to assist them in their marketing efforts.

Judges from the Hanoverian, Oldenburg, and Westfalen registries will be present at these testings and their continued support of these sport tests and the North American stallion owners is well worth recognizing. We wish all the participating owners, breeders, and riders a positive testing result and we hope all of our spectators go home with a broader understanding for how we like these young horses to be developed.

Meet Our Officials for the West Coast NA Stallion Sport Test

Gerd Sickinger

Gerd Sickinger was born 1950 in Stuttgart. Beginning at the age of 10, he was an active competitor in multiple disciplines and he became a state-certified riding instructor. In his profession as a lawyer, Mr. Sickinger is also a sworn expert-witness for horse-breeding, -keeping and -judging. He is also a judge for competitions including Show Jumping to the highest level, dressage up to Grand Prix, and eventing up to class L and has judged the BKB Bundeschampionat in Warendorf, Germany. Gerd Sickinger is married and father of 2 sons.

Matthias Granzow

Matthias Granzow was born in 1976 in Waren / Mecklenburg-Vorpommern and he lives in Münster / North Rhine-Westphalia. Matthias is married and has 4 children. He comes from an equestrian and horse breeding family. He earned his education at the state stud Redefin and has been an internationally successful show jumping rider with many victories and placements. Highlights of his career include a victory in the World Cup competition in Tallinn and top Derby placements in Hamburg and Hickstead. In 2005 he was awarded the gold badge in German riding and since 2010 has also been a judge. Beginning in 2011, Matthias has been one of the German Equestrian Federation officials (judge, discipline expert, & test rider) for the Stallion Performance Tests.

Rudy Leone

For over 40 years Rudy has been a staple of the Northern California Equestrian industry. He has helped to build the industry in numerous capacities from creating top events for horses and riders including the Sacramento International Horse Show, to doing the footing at almost every major venue in California and of course in the show ring where he has coached horses and riders from their first lessons to World Cup Finals, Pony Finals, and every major medal final in the country. His influence is profound and has earned him the Lifetime Achievement Award from both the Northern California Hunter Jumper Association and the Pacific Coast Hunter/Jumper Association.

Wendy Wergeles

Wendy has several accreditations including: United States Equestrian Federation "S" Technical Delegate, USEF "R" Eventing Judge, United States Eventing Association Certified Young & Future Event Horse Judge. As an active competitor she has had success in Eventing, Dressage, Hunters and Jumpers, including the USEF Advanced Level Reserve Championship for Eventing. She was also a recipient of the USEA Cornerstone Instructors Award and coached the Area X team at The North American Young Rider's Championships. Additionally, she has owned the German Thoroughbred stallion Ferrari and the Holsteiner broodmare, Marisol, who produced the top level Event horses including R-Star and Fleeceworks Royale. Wendy is a past member of the USEA Board of Governors and their Strategic Planning Committee as well as their DX Task Force.

Charlotte Brehdahl

Charlotte Bredahl-Baker was part of the US Bronze medal winning Olympic team in Barcelona with Monsieur. She was also part of the US silver medal winning team at the North American Championship in 1997 with Lugano. She trained both horses from start to GP and has trained many other horses and students successfully up through the levels. Charlotte was a USEF (S) and FEI judge and has judged all over the world. In 2009 through 2011 she was the featured clinician for the USDF Adult clinic series in all 9 regions. In 2014 Charlotte was also appointed US Assistant Youth Coach for dressage and since 2018 she has been the USEF Development Coach.

Clint Sawyer

Clint Sawyer is no stranger to the sport horse breeding business. At the young age of 16, Clint bought his first stallion and began raising foals for jumping sport. While pursuing a degree in veterinary medicine, Clint changed courses and became a professional in the Hunter/Jumper world. For 17 years Clint has owned and operated a very successful training program, producing top athletes in the Equitation, Hunter and Jumper rings. A licensed USEF judge, Clint is sought after for his expertise and passion for teaching.

Jessica Wisdom

Jessica resides in Battle Ground, Washington. She is the recipient of the USDF Bronze, Silver, and Gold medals plus the Freestyle Gold Bar, and has had multiple "Horse of the Year" placings. She has coached riders from Training level to FEI with several winning championships in the NW and earning their USDF medals. Her calendar is currently filled with her own competition riding, a training & lesson program at Emerald Valley, and a growing number of dressage clinics from Alaska to South Carolina. Jessica competed her Welsh cob stallion North Forks Cardi from Training level through the Grand Prix, winning several CDI's and a National Championship for the Grand Prix Freestyle. She now competes her Hanoverian stallion Diamondhead in the small tour as well as several client horses up through the Prix St. Georges.

Matt Brown

A NAYRC graduate, Matt has gone on to compete at the top levels of international sport. He was the top-placed US rider at the Boekelo CCI04*, was a member of the Silver Medal US Nations Cup team, and was named an alternate to the US Pan-Am team in 2015. In 2016, Matt was named a reserve for the 2016 Rio Olympic Games and was named to the Land Rover US Eventing Team for Aachen CICO4*. In November 2016, Matt and Super Socks BCF won the competitive Ocala Jockey Club International CCI4*-S. In 2017, Matt finished 6th at the Rolex Kentucky CCI5* with Super Socks BCF and was the USEA Gold Cup Advanced Champion at the American Eventing Championships with BCF Belicoso.
